I think the idea of getting lost in time in a spaceship is imaginative & original and helps me remember things better.

This Book is very easy to understand ~~and~~ and I enjoy the Diagrams they are very well done!
It's ~~easy~~ ^{easy} to read!

It has good Facts and Pictures in the book.

I think this book is very good, it has ~~plenty~~ plenty of detailed ~~pictures~~ pictures, good information about all time periods and ^{it also says} how life has changed, Brilliant!

I like the way different people take you round different times. The funny little comments are great. The pictures are fairly like the real thing, and very life like.

I love it, the pictures are good, the idea of the spaceship is brilliant. It's a good and fun way to learn!

I think this book is O.K. I like the bit about the Spaceship.

The reason I like the lost in time book is because I like the idea of travelling to time and it will help kids learn.

I like the pictures that is in this book
I also like the idea of the space ship
and that it is full of useful information
~~and~~ also the text coming off the characters
is really funny.

I think it is very appealing and it is the best book ever to learn from also I like the fact it has a lot of pictures which we all understand.

I like the lost in time book ^{because} it is very appealing, interesting and a really good use of learning history.
The pictures are fantastic interesting, ~~but not the same~~ ^{and} worth taking a further look at the information around them. ~~Also~~ ^{Also} the variety of knowledge included is a really fantastic way to learn more.

I liked the 'lost in time' book because of the pictures and scenes. I also liked the tour from people of the certain time period. It was fun learning.

The illustrations were very good and it taught me a lot with good information.

This book has lots of colourful illustrations

It was great having SOMEONE TAKEING US THROUGH
A TIME PERIOD

I like the pictures because they give you a accurate view of what that time period fashion was like.

Questions and pictures are ~~good~~ ^{super}. The accounts of people telling you about there lives are Brilliant. I like it all.

I like the way that \$ Sir Geoffry takes you through almost a guide. Also the text is very ~~and~~ informative!

It Really good with
the people guiding us through it!?

I think this book is very interesting,
the illustrations are very knowledgeable
and you can gather a lot from them.
Very Good * * * * *

I think the book gives lots of
information, and has good illustrations
to keep you interested

I Like the pictures and there is
very good information in it.

I liked the way that a character takes you
through the different time periods instead
of just some boring person explaining.

I really like how Sir Geoffrey took us
around the book. It was clear, informative
and helped make history fun.

THIS BOOK IS CLEVER ON
THE WAY IT GOES THROUGH THE
DIFFERENT POINTS OF VIEW ON
DIFFERENT PEOPLE AND EXPLAINS
WHAT IS LIKE FOR THE POOR PEOPLE
AND THE RICH. VERY CLEVERLY PUT
TOGETHER.

★
I like the pictures in your book
it is a fun way to learn I also like
the way you have put the Rectee in ~~each~~
the pictures. your book has alot of useful
information in. your keys (comfort, work, enjoyment
etc..). are usefu..

The whole idee of the spaceship
is a really good thing
for younger readers!

This book is very well
wrote and deigned.

not just the writing but
the pictures tell a lot.
the writing describes
lots about the subject.

I like the space
ship and the
pictures.
